FONDA PETTWAY

Fonda Pettway is a veteran elementary teacher who began teaching at Westview PreK-8. She is currently a Kindergarten teacher at Brentwood Elementary School of the Arts. Ms. Pettway is the current Professional Development Facilitator, Duval Teachers United school representative, and a mentor teacher for student interns and new teachers at Brentwood Elementary School. Ms. Pettway attended Florida A&M University with a major in Elementary Education and is currently pursuing a Master of Science in Education at Walden University. She holds a state of Florida professional certification in Elementary Education K-6 with an endorsement in English for Speakers of Other Languages. She is currently pursuing additional certifications in Reading and Social Sciences.

Ms. Pettway became a teacher because she wanted to serve her community while positively impacting our youth's lives. She believes the classroom is a community that everyone must contribute in order to create a positive climate. Ms. Pettway devoted to establishing positive relationships with her students and the community. She is committed to encouraging her students to be critical thinkers, innovators, and compassionate. Her goal is to facilitate experiential, cooperative, and inquiry-based learning to engage and activate student learning. Ms. Pettway's dedication to her students has been demonstrated through advocating for tutoring for primary students, providing free tutoring for students, and establishing a weekend supplemental meal program for students in need.
