Film requires a lot of time and patience during preproduction, production, and post-production. There are fun times and not-so-fun times.

INNOVATE: Fill in the blanks: Once upon a time _____. Everyday _____ . One day _____. Because of that _____ . Because of that _____. Until finally _____ .

CONNECT: How much do you enjoy working with others on a scale from 1-10 (10 being the highest)? There are many genres of films and jobs in the industry.

EXPLORE: How open are you to learning them all on a scale from 1-10 (10 being the highest)?

Audition Part 2:
